

GOLF FOR KIDS

As many of you know, Mentoring Services at D.A. Blodgett – St. John's (DABSJ) is 100% funded by gifts, grants, and events like Golf for Kids. Thanks to the generosity of our friends and business partners, Mill Steel has donated nearly \$3 million to DABSJ!

This year DABSJ's mentoring program is growing to support dads. The Parenting+ group mentoring program (formerly Young Moms Mentoring) focuses on essential life skills such as budgeting, meal prep, job applications, and more for both moms and dads. And, with the help of Mill Steel associates, the Youth in Business program continues to change lives of high school students - and their mentors - throughout the school year!

Despite the recent setbacks from COVID-19, we know we can still make this another successful year! Your safety is our #1 priority; to ensure all golfers, attendees, and the community stays healthy, we are working diligently to create the safest environment possible.

We hope you can join us on Friday, September 11th for our 24th annual event at the new location, ***Egypt Valley Country Club**. Golf for Kids is an integral part of the growth of this valued community resource. With your help, 125 youth and young moms received services in 2019, what an amazing impact! Together, we can provide hope and support for those who need it most.

** With Blythefield Country Club undergoing a major course renovation from August 2020 through April 2021, we have chosen to relocate our 24th annual event to Egypt Valley Country Club.*
